DESIGNING EMOTIONS IS WHAT WE DO BEST

For over 30 years, we have been carefully listening to our customers. This has enabled us to design and develop high-quality products, and has fostered within us a drive to offer you the best possible customer experience.

We strongly believe that you should experience the best possible journey in all your interactions with Marie's Corner and our products.

We care about you and your comfort and we do hope you will enjoy our new models as much as we enjoyed creating them.

Designing Emotions is what we do best.

Our new 2023 release
is *complementary* to the
former 2022 catalogue

A NEW, MORE SUSTAINABLE & ECO-RESPONSIBLE CONCEPT

We used to send you our complete catalogue with all the information on our collection every year.

We realised that most of the information in the catalogue did not change much from year to year.

This year, we wanted to work more efficiently and sustainably by including in the 2023 catalogue only the most important information about the new products and the projects we have completed.

You will also find our entire collection, organised by family, in the form of summary pages.

We therefore invite you to keep your 2022 catalogue and to work with both catalogues.

Keep your both catalogues!

We hope you enjoy reading the catalogue and discovering our new products for 2023!

PRIVATE RESIDENCE

GERMANY | Munich

Velvety fabrics, found objects from all over the world and curved details on cupboard handles, wallpaper and wall appliqués combine in this flat to create a synthesis of form and design.

The style of the ambience is both elegant and casual casual, a perfect match for the Marie's Corner seatings.

CHÂTEAU DE MOULBAIX

BELGIUM | Ath

Moulbaix Castle is a castle that has been unoccupied since 2005.

The picturesque castle in neo-Tudor style was designed around 1860 by the Ath architect Désiré Limbourg.

At a public sale in 2016, the castle, its surroundings and outbuildings as well as various lands were sold to the Govaert family who decided to completely renovate the Castle and its surroundings.

This outstanding project was led by Peter Devos from Peter Plan Design Agency.

Peter has given it a marvellous contemporary feeling by implementing Marie's Corner iconic seatings with a subtle mix of our classical and contemporary models.

BOTANIC SANCTUARY ANTWERP

BELGIUM | Antwerp

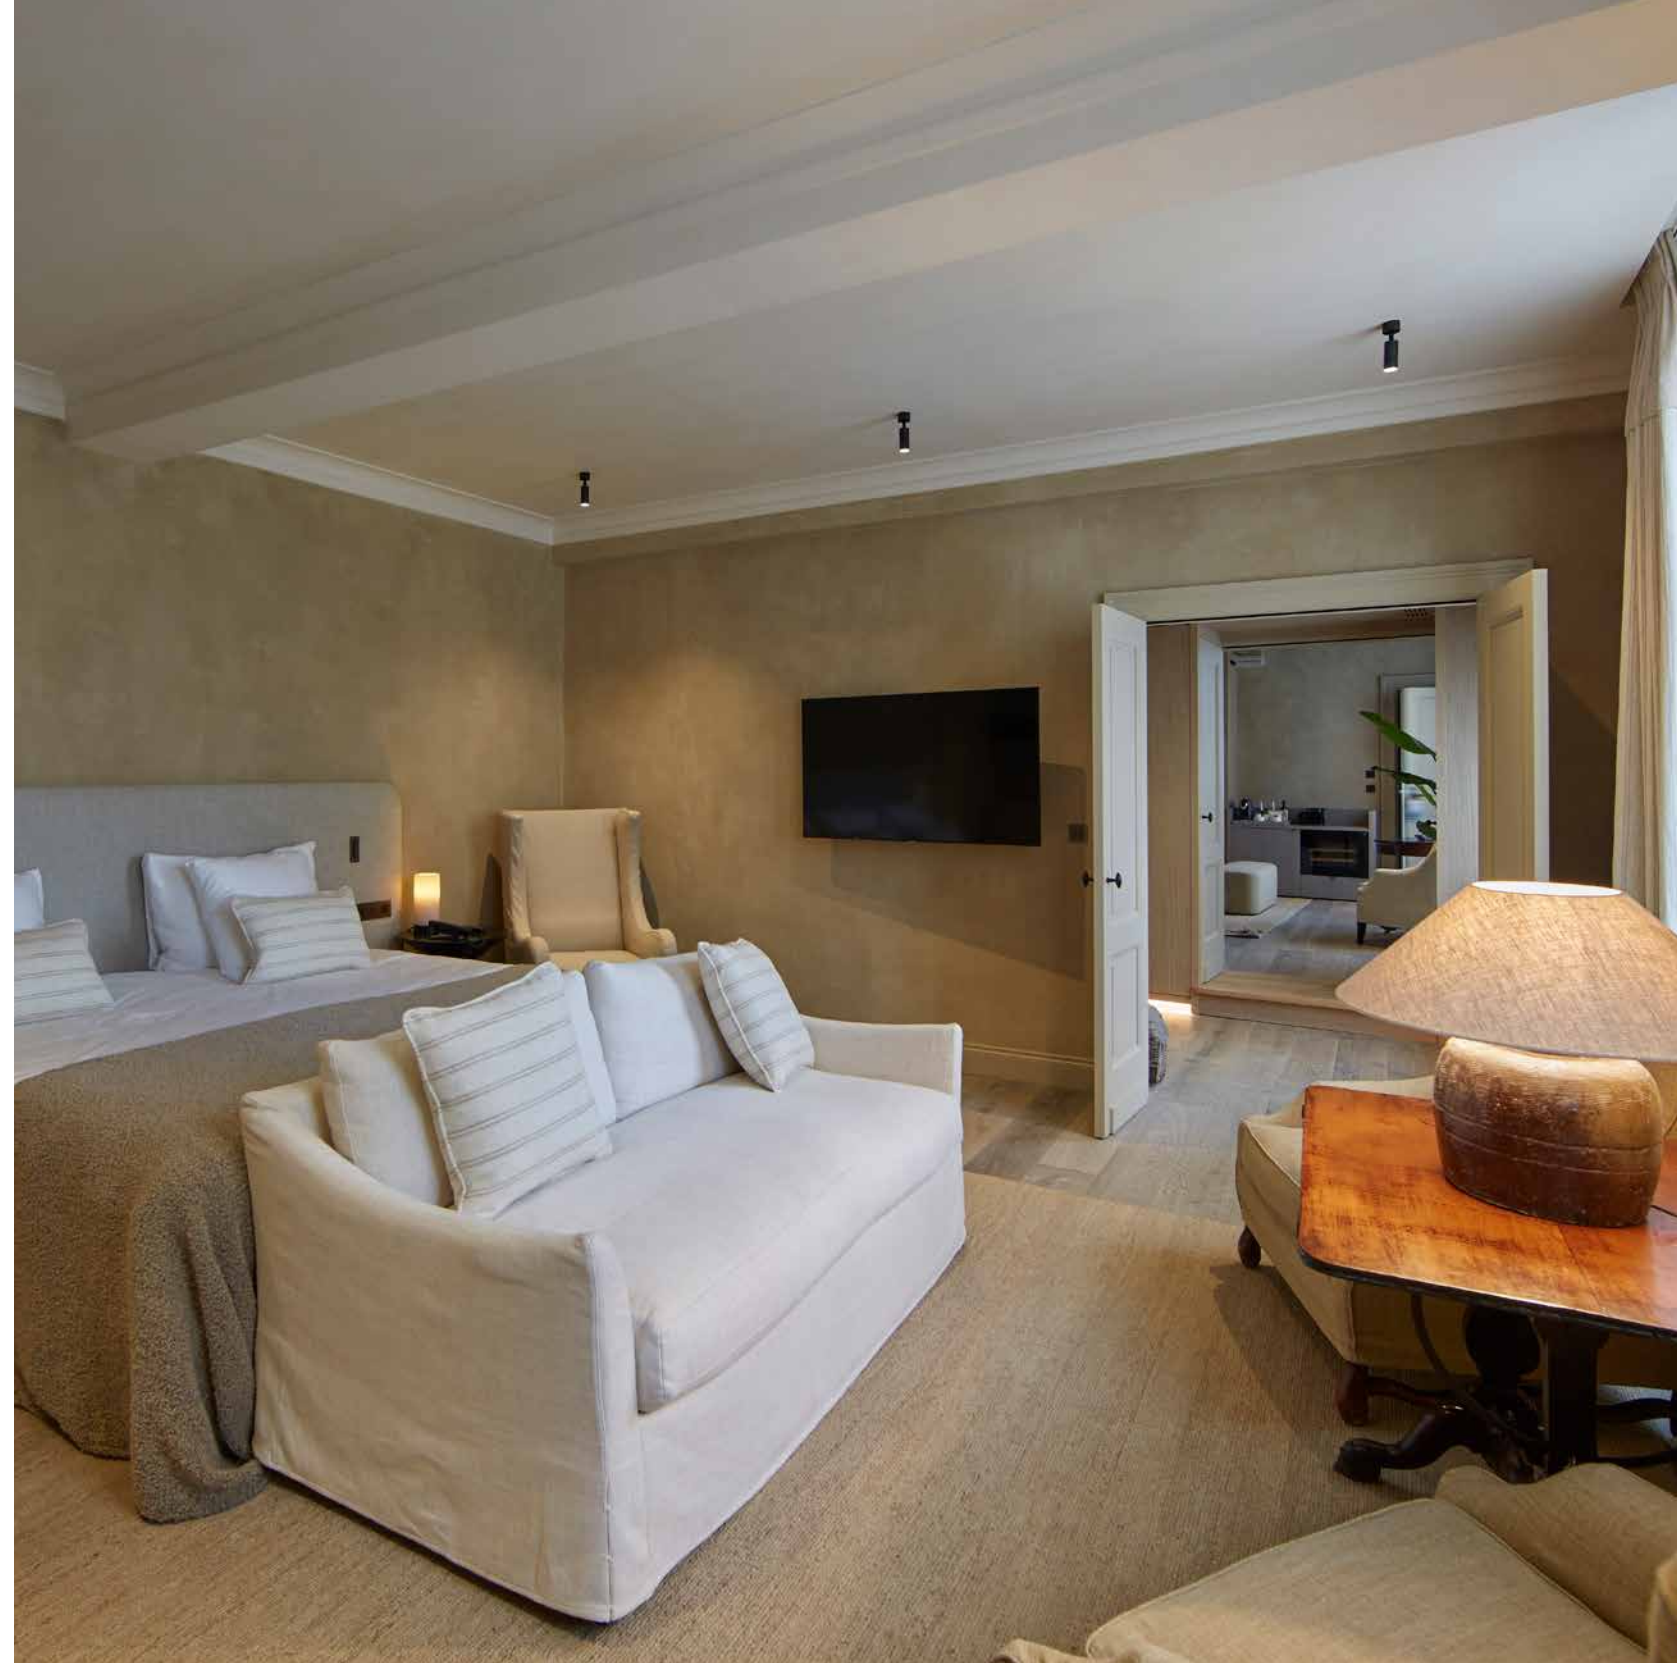

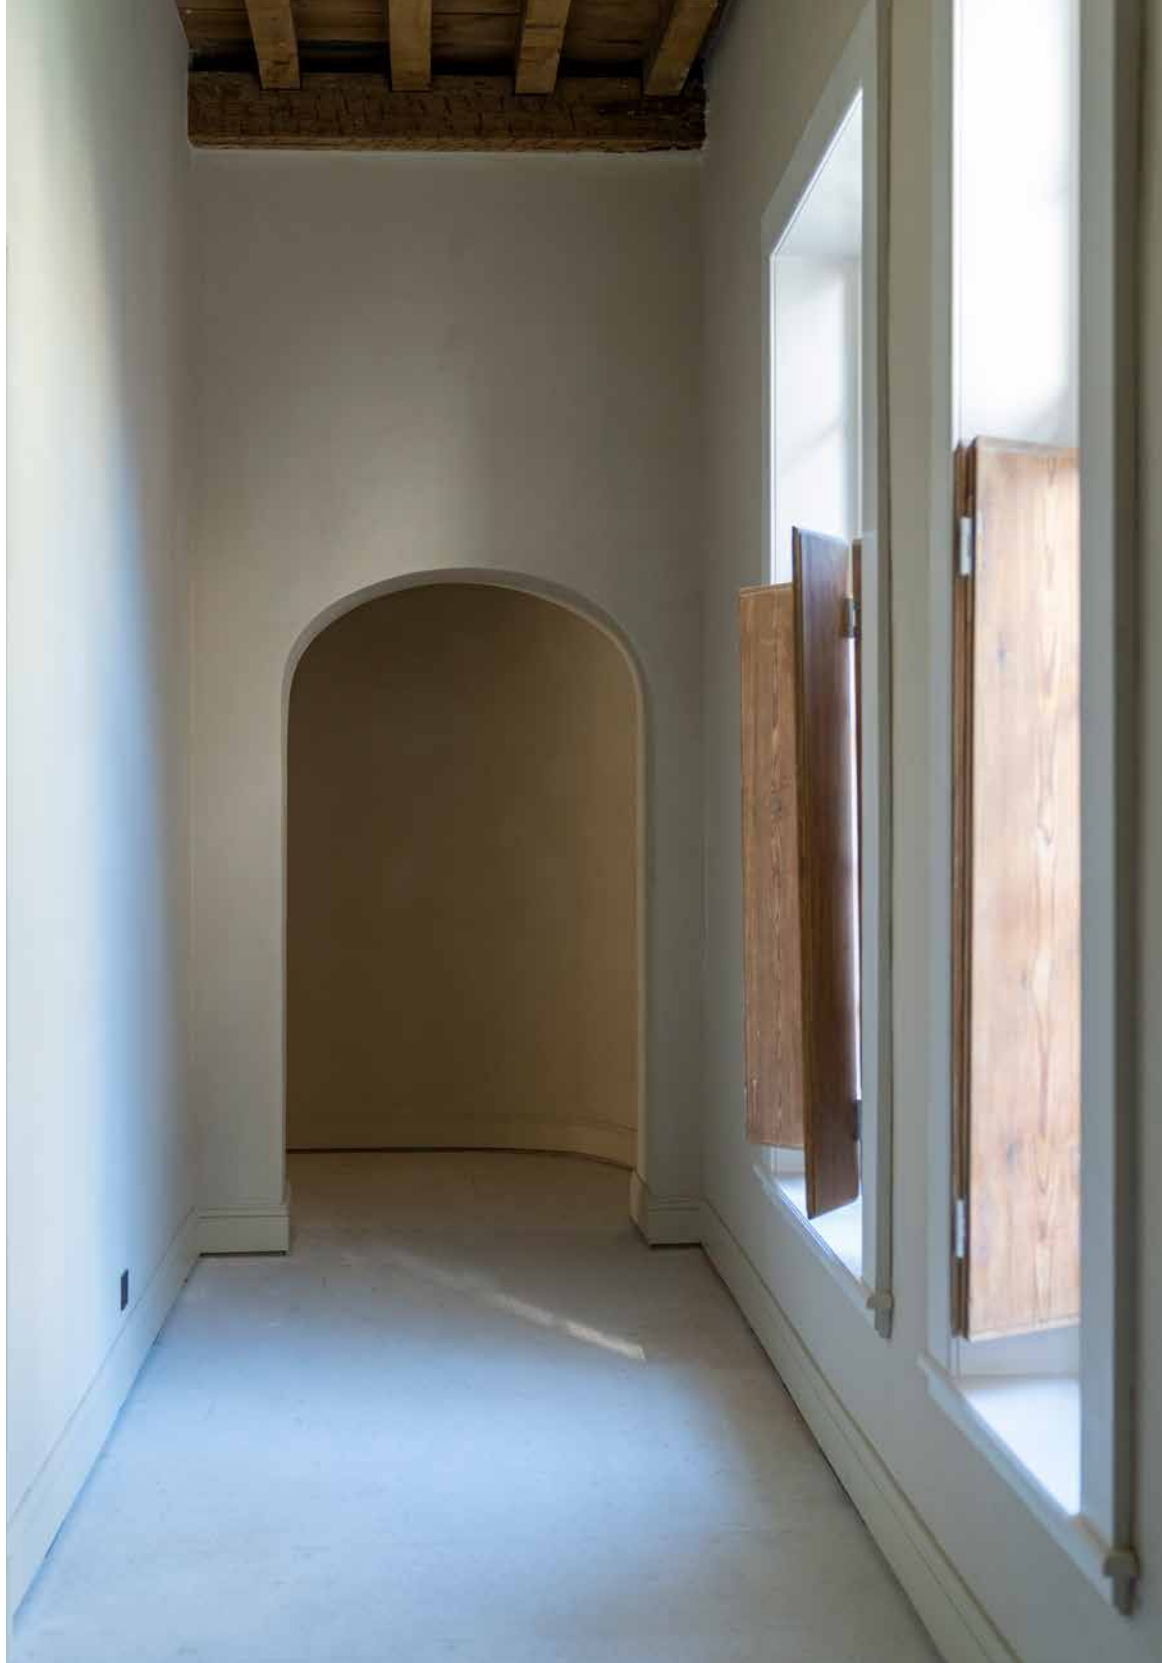

Marie's Corner, partner of the Botanic Sanctuary Antwerp.

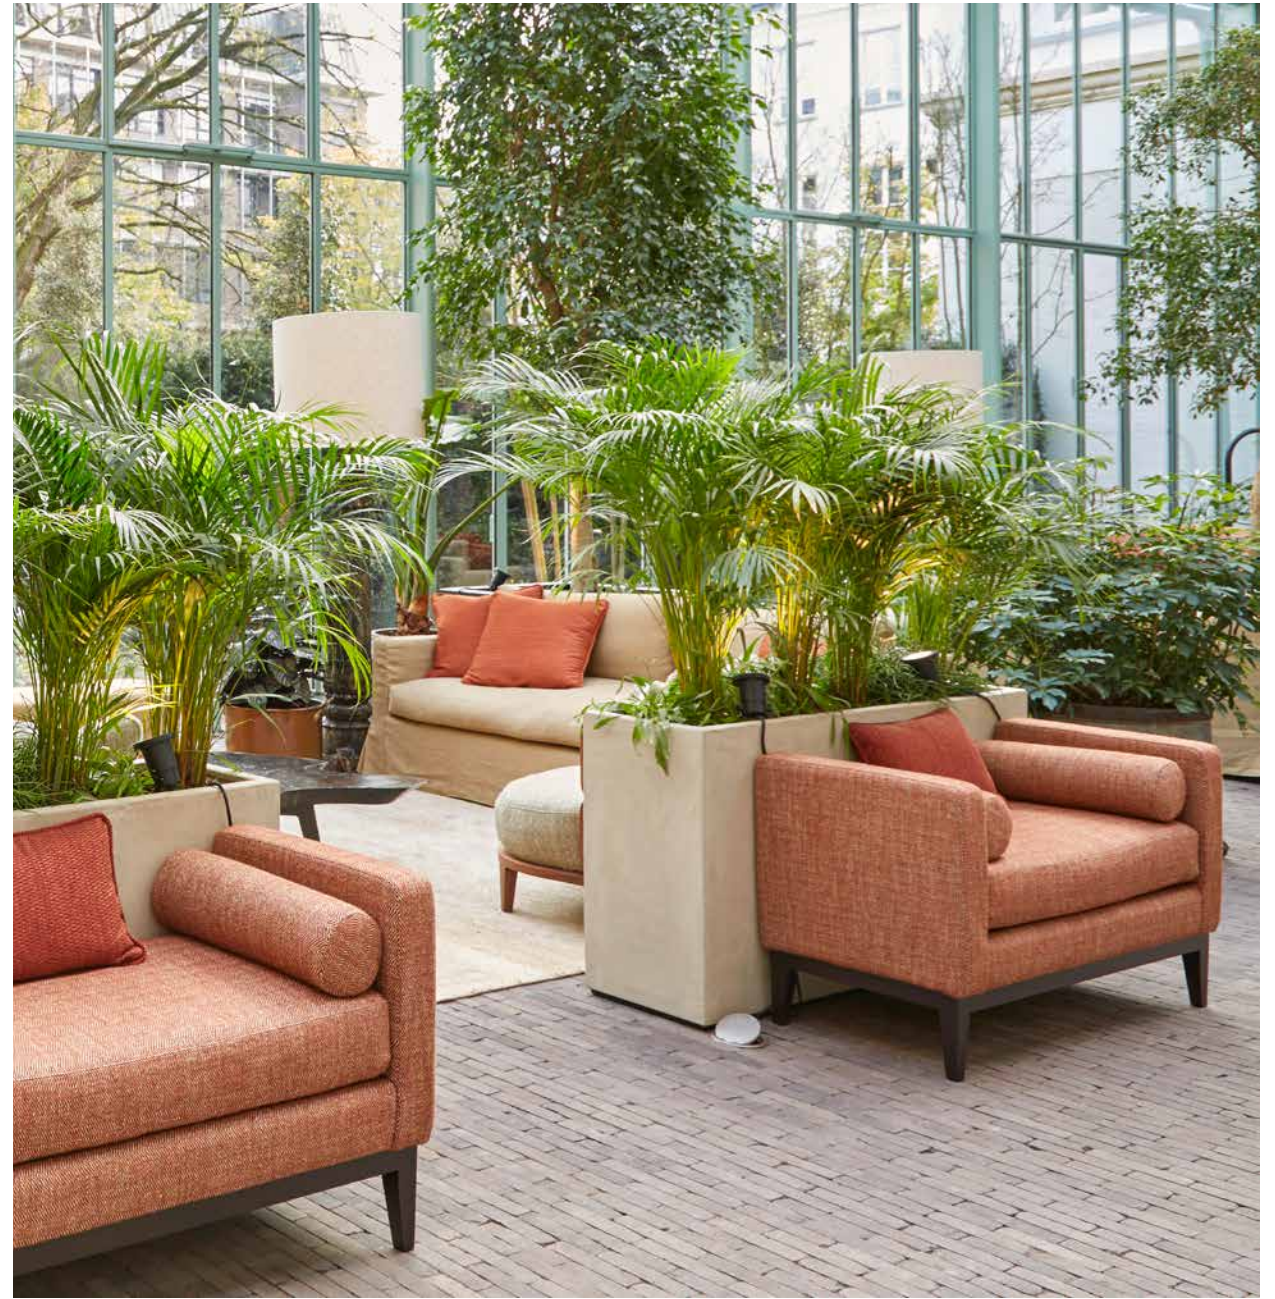

The creations of the Belgian tailor-made sofa house is present in almost every room of Antwerp's first 5-star hotel. The Botanic Sanctuary Antwerp, an ambitious hospitality project in the Scheldestad district of Antwerp. The 5-star Botanic Sanctuary Antwerp, owned by The Leading Hotels of the World® and designed by IRET.

Development, will be much more than a luxury hotel with 109 rooms and suites. It will be a lifestyle 'experience' in its own right. Marie's Corner is contributing to the project by supplying more than 92 poufs (Alvin and Collin models) that will punctuate the decoration and comfort of each room in the hotel. The hotel site is located in the heart of Scheldestad, a district with a history dating back to the 13th century.

Over the years, the site has grown to include a number of buildings that have become city icons: St. Elizabeth's Hospital, the presbytery, the pharmacy, the plant garden, etc. The 5-star hotel gives them a new life while paying tribute to their history.

A new site in which future and past coexist in perfect harmony.
